CROWN PARTICIPATES IN SUCCESSFUL MPEL CAPITAL RAISING

MELBOURNE: Crown Limited (ASX: CWN): announced today that Crown has agreed to subscribe US\$45 million at US\$4.00 per ADS for additional equity in Melco Crown Entertainment Limited (“MPEL”) as part of MPEL’s US\$165 million equity placement (US\$180 million if the over allotment option is exercised)(“MPEL Placement”).

Details of the MPEL Placement are contained in MPEL’s announcement, a copy of which is attached.

Crown’s joint venture partner and the other major shareholder of MPEL, Melco International Development Limited (“Melco”), has participated in the MPEL Placement on the same terms as Crown. Crown’s and Melco’s subscription is initially being made via a 50:50 joint venture SPV, but it is expected that the new MPEL shares will be released from the SPV to Crown and Melco.

MPEL has reported, based on unaudited management estimates, that as of 31 March, 2009, MPEL’s actual cash balance was approximately US\$755 million, excluding cage cash, and, as adjusted to reflect receipt of the net proceeds of this offering (assuming no exercise of the underwriters’ over-allotment option and after deducting underwriting discounts and the estimated offering expenses payable by MPEL), will be approximately US\$915 million. MPEL estimates that as of 31 March 2009 they had approximately US\$244 million of remaining capital expenditure and pre-opening expense budgeted to be paid before the opening of City of Dreams in early June 2009.

The cost of Crown’s cash equity investment in MPEL including the new shares is now US\$500 million with an average cost of US\$2.81 per ADS.

Following the MPEL Placement, Crown’s ownership interest in MPEL will be diluted slightly to 36.4% (assuming full exercise of the over allotment option).

FOR IMMEDIATE RELEASE

Melco Crown Entertainment Limited Announces Pricing of Follow-On Public Offering at US\$4.00 per ADS

New York, April 28, 2009 — Melco Crown Entertainment Limited (NASDAQ: MPEL), a developer and owner of casino gaming and entertainment resort facilities focused on the Macau market, today announced that it has priced its previously announced follow-on public offering at US\$4.00 per ADS following market close on Monday, April 27, 2009 (representing a price of approximately US\$1.33 per ordinary share).

The offering comprised a public offering of 18,750,000 ADSs (representing 56,250,000 ordinary shares), and an additional 67,500,000 ordinary shares. Each ADS represents three ordinary shares of Melco Crown Entertainment. The underwriters have an option to purchase up to an additional 3,750,000 ADSs (representing 11,250,000 ordinary shares) from Melco Crown Entertainment to cover over-allotments at the follow-on public offering price of US\$4.00 per ADS less the underwriting discounts and commissions covering such over-allotments of ADSs. Due to strong demand from investors in Asia and the U.S., the size of the offering was increased from the previously announced 15,000,000 ADSs and 56,250,000 ordinary shares.

A special purpose vehicle that is fifty-fifty per cent owned by Melco Crown Entertainment's two largest shareholders, Melco International Development Limited and Crown Limited, purchased 50% of the total transaction (assuming full exercise of the over-allotment option), or 67,500,000 ordinary shares.

Lawrence Ho, Co-Chairman and CEO of Melco Crown Entertainment, provided additional commentary on the transaction by saying, "We believe these efforts demonstrate the prudent management of our balance sheet, as well as a far-sighted approach to engineering a long term capital structure for our company that can withstand the inevitable volatility in the global economy — a cornerstone of our financial philosophy. This is the correct course of action for us, given the uncertainties that remain within global financial markets."

James Packer, Co-Chairman of Melco Crown Entertainment and Executive Chairman of Crown Limited, added, "The substantial participation in this transaction by the founding shareholders of the Company, Melco International and Crown Limited, confirms our confidence in the growth outlook for Macau and Melco Crown Entertainment's competitive position within the market. I am convinced that City of Dreams will set a new standard for casino development in Asia."

Deutsche Bank Securities Inc. acted as sole bookrunner for the offering. Merrill Lynch, Pierce, Fenner & Smith Incorporated and Oppenheimer & Co. Inc. acted as co-managers for the offering. Melco Crown Entertainment's registration statement relating to the securities offered in the follow-on public offering was declared effective as of April 21, 2009, by the U.S. Securities and Exchange Commission. This press release does not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

City of Dreams remains on track to open in early June and the projected budget remains unchanged from previous indications to the market. As of March 31, 2009, the actual cash balance was approximately US\$755 million, excluding cage cash, and, as adjusted to reflect receipt of the net proceeds of this offering (assuming no exercise of the underwriters' over-allotment option and after deducting underwriting discounts and the estimated offering expenses payable by Melco Crown Entertainment), will be approximately US\$915 million. Melco Crown Entertainment estimate that as of March 31, 2009 they had approximately US\$244 million of remaining capital expenditure and pre-opening expense budgeted to be paid before the opening of City of Dreams in early June 2009.

The estimated cash balance as of March 31, 2009 and estimate of remaining capital expenditure and pre-opening expense budgeted to be paid before the opening of City of Dreams referenced in the preceding paragraph have been prepared by Melco Crown Entertainment's management and are

unaudited and neither their independent accounting firm, nor any other independent accountants, have compiled, examined, or performed any procedures with respect to these estimates.
