

RATINGS REPORT

RATINGS RESULTS – SURVEY WEEK 11 Sunday, March 12 – Saturday, March 18, 2006

THE Nine Network scored GOLD in Week 11 of the official ratings year, blitzing the competition with its exclusive coverage of the **2006 Commonwealth Games** from Melbourne to take out the week with a 38.3 per cent national All People market share.

Nine dominated each major viewing demographic, beating Seven and Ten's respective 25.1 per cent and 18.7 per cent All People shares in what marks the largest weekly share result for any network so far this year.

Nine won the advertising rich 25-54 demographic with a 37.8 per cent share, well ahead of Seven on 25.5 per cent and Ten on 21.3 per cent. Nine also took out first place in Ten's preferred 16-39 demographic scoring a 35.6 per cent share. Ten followed on 27.4 per cent and Seven was even further behind on 24.3 per cent.

Nine's live and exclusive broadcast of the **Commonwealth Games Opening Ceremony** was Australia's most-watched show both last week and this year with an average audience of 3.561 million, 1.549 million of whom tuned in from the host city, 908,000 in Sydney and 543,000 in Brisbane.

The huge audience made the broadcast the most-watched official ratings event on Australian television in the past three years.

Nine's wall-to-wall Games coverage dominated the week's viewing and most-watched shows. Each of the three days of competition won their timeslot in all sessions – morning, afternoon and evening so that the Network blitzed the Top 10 shows.

Saturday's bulletin of **National Nine News** was Australia's most-watched news service, with an average audience of 1.732 million, while Sunday's edition was the next most-popular with an average national audience of 1.4 million.
