

RATINGS REPORT

RATINGS RESULTS – SURVEY WEEK 20
Sunday May 14 – Saturday May 20, 2006

THIRD IN A ROW FOR NINE **LEADS YEAR-TO-DATE**

THE Nine Network is out in front and Number One with viewers.

Nine is leading the ratings so far this year on an All People national share of 30.5 per cent and has six ratings weeks in the bag.

Nine won the 12th official week of ratings to secure its third consecutive national win with a share of 28.1 per cent compared with Seven's lesser 27.3 per cent. Seven has won five weeks this year and Ten one.

So far this year, Nine has a market share greater than at the same time in 2005, with momentum building. It was Nine's sixth consecutive weekly win in Sydney with a 28.9 per cent share and eighth-straight win in Melbourne on 29 per cent share.

Including last night's broadcast of **The Great Escape** – which will drive Nine's performance this week – the Network has broadcast 15 of the Top 20 shows on Australian TV this year, including the top three.

Last week, Nine was also first in the key advertiser-friendly 25-54 demographic with a national share of 28.3 per cent, 28.3 per cent in Sydney and 30.3 per cent in Melbourne.

And Nine was Number One when it came to news and current affairs.

60 Minutes, which featured a tribute to journalist Richard Carleton, was the most-popular program of its kind with a national audience of 1.702 million to beat *The Ghost Whisperer* and *Big Brother Live Eviction*. In Melbourne, it was the most-watched program of the week.

National Nine News Sunday was also the top news bulletin with a national audience of 1.577 million.

Leading international dramas **Cold Case** and **CSI: Crime Scene Investigation** were also in the Top 10.
